As-Salamu Alakum

Dear Parents

Hoping you and your families are well with the Grace of Almighty Allah.

I am hoping your child has been completing the work set over the last 2 weeks.

I would appreciate if you could send a copy of completed work directly to my number, in order for me to check/mark homework.

This week I have set a short test covering some of the topics covered this term. (Paper 1)

As this is a test, can you please ensure this is completed (without access to work/ text books)

This needs to be completed and sent (a clear picture of both pages) asap and no later than **Wednesday 8<sup>th</sup> April.**

Please feel free to contact me with any questions you may have or general feedback letting me know how your child is getting on with the set work.

PS: I will be sending out Paper 2 next week.
